Thank you, dear Sis Fely

for your prayers and encouraging words and mail.

By God's grace everything on our trip went smooth and we are very thankful to God for his protection, for his leading and for the rich time in the Philippines with all dear brothers and sisters.

How ist the family and the kids. Is the foot of Steven no well?

You are very much on our hearts and it is our prayer esp. for Milky that he finds confident in the faithfulness of God provision esp.concerning all financial matters. I know we all have to be very careful not to give room to fear, which could easily slip into someones heart. Learning to be fully focus on the Lord and his might. For God's provision comes to those whose trust and faith is fully in Him. The Lord God almighty knows exactly what we need, but he proves our heart, whether we look towards him or towards a human solution, or a human provider. Thank you, Sis Fely for mentioning Jer.17:7. Indeed we can do nothing without Christ. Joh.15:5

At present time we just attended a practical discipleship training. It is very encouraging if you look on youtube. This is very helpful to watch and to learn how simple it is to do the work Christ told us to do. Therefore watch this film "the last reformation" on youtube with Torben Sondergaard.

Every one of us is a disciple of Jesus, if we do what he told us to do. Mt 10:7-9 and Mat 28:19-20

So we are going with willing people to evangelize, to ask people if they have an illness, pain or a physical need. Then we ask them if we can pray for them and speak direct to the sickness and command it to leave. We witness increasingly to healing testimonies. God is using simple young people who go by faith and pray and God works his miracle.

love greetings

Toby and Lalai
